

# StockAlliance Non-Commercial v.1

## Main conditions

1. This license defines conditions of use of product (further - Product) that is provided by a person, who has exclusive rights for given Product (further - Copyright Owner) to final person, who accepts this license (further - User).
2. Any use, distribution, addition into part of composite work, any modification of Product differently than it is determined by present text of license, is prohibited. Any infringement of license's conditions will automatically and immediately end duration of given license and can be prosecuted.
3. By receiving the Product, User certainly accepts all of conditions of given license and undertakes to perform it.

## Conditions of Product use

1. Given license gives a right to User to legally use given Product exclusively for his own, not commercial purposes.
2. It is prohibited to use the Product in original form, as a part of composite work that will be used for profit.
3. Future replication, distribution and share of given Product with other Users is prohibited.
4. In case of Product's use in commercial purposes, User must buy the license for given Product on sites that are listed in source, from where User has got this Product, or from a Copyright Owner.

## Samples

We do understand that juridical text, even simplified one, can be hard for understanding, that is why we are giving a couple of samples of how it is possible and how it is prohibited to use the Products:

Allowed	Prohibited
To use it in decoration of Your site, blog, e-mail distribution as long as executed resource is not created with aim to earn money.	To use in decoration of any commercial projects.
To use in production of Your presentation, report, stand in educational institution.	To use in decoration of commercial exhibition, stands in educational institutions, etc.
To use on prints on t-shirt, cup, postcard, birthday invitation, etc., but not more than 10 copies for personal purposes	To use in decoration of goods for sales and distribution with purpose of profit-making (even in free promo).
To use in decoration of home/school/student	To use in any print editions, with more than 5

wallpaper.	copies, that will even be distributed for free.
To give address of site where from the Product has been downloaded to any person who wishes it, if You wish to share the Product with him.	To distribute Products further even in original, using any resources: file sharing services, local network, e-mail, etc.

**If User is not sure if he can use the Product by its license in some kind of purposes, he must contact the Copyright Owner through the form, located by following address: [http://www.stockalliance.org/contacts\\_en.html](http://www.stockalliance.org/contacts_en.html) and clarify this moment.**
